

2013 South East Lipid Research Conference
Callaway Gardens
September 26-28, 2013

SESSION 1: "Cellular Lipid Storage and Flux"

SESSION 2: "Lipid-mediated Signaling"

SESSION 3: "Adipose Lipid Storage and Mobilization in Obesity"

SESSION 4: "Leukocyte Lipid Storage and Inflammation"

SESSION 5: "Reverse Cholesterol Transport"

SESSION 6: "Lipid Synthesis, Mobilization and Hepatosteatorsis"

SESSION 7: "Emerging Treatments for Cardiovascular and Metabolic Diseases"

We are also very pleased to announce that the W. Virgil Brown Keynote Address will be given by Dr. Ira Goldberg, Dickinson Richards Professor of Medicine, Columbia University. The title of his presentation is "Diabetic Heart Diseases."
